“ *Bonnie could always make me laugh with all of her family stories.
She had such a gift of story telling. I always told her she should
write a book of her humorous family memories and she would make
a fortune.*

“ *One day Bonnie and I were looking at a ladies catalog and she saw
something she would like. I told her I could order it along with mine,
When I asked her what size she wanted, Miss or Mrs she said
WIDE, She honestly thought that was what the W meant. We both
laughed about that many times.*
