“ *Bonnie was my best friend in grade school. I am very sad to learn just recently from her daughter Jessica that she passed in 2015! She was a good friend to me for many of my young years!*

“ *I will never forget Bonnie! She was so hardworking. Kind, smart, tough, resilient, honest beautiful. I could keep going. My friend & mentor. She loved her family. Blood & adopted. My heart knows she is in a better place because she was the example of what we live for. God Bless you Bonnie & your family. You made me a better person.*

*Sincerely, Kelly Teubert*

LY

“RIP our dear sweet Bonnie, the SWEETEST and most LOVING woman I have known. My deepest sympathy to Bonnie's beloved children, Tony, Jessica and Justin...your Mom loved YOU all, more than life itself! I spent a lot of my childhood years at the Petri home on Blackfoot as Linda's best friend, and was blessed to know Bonnie and your Uncle Johnnie too. Your Mom was a few years older than me & Linda, so when we were kids, we did not really 'hang out' much, but Bonnie was ALWAYS NICE to me. I got to know your Mom much better after I bought a trailer in Canton, and your Mom bought the trailer next door and lived there with Tony, before Jessica and Justin were even born. We spent many morning chatting and drinking our morning coffee together, and she would babysit my daughter Gina whenever I needed a sitter, and I occasionally would babysit Tony....but she hardly EVER left her kids, except to work. We also worked together at Red Lobster in Westland, where your Mom worked for MANY years and she was LOVED and ADORED by everyone there too. Your Mom was always very sweet and soft-spoken and she loved her coffee! I never heard your Mom say a bad word about anyone, NEVER heard her even raise her voice, was always there to talk or listen and she truly had a heart of gold and became a GREAT friend to me too. I loved your Mom, just like anyone who ever knew her, there was nothing unlovable about her. Bonnie's was the most doting mom I've ever known too, and her life truly revolved around her kids, her home and her family. I will miss your Mom's kind heart, her famous 'wink,' her SMILE, her beautiful curly hair, her sweet and loving ways....everything about your Mom was PURE and SWEET and LOVING. I SEE your Mom in each one of you kids, she did such a GREAT job in teaching my example who to be a sweet and good person and she was SO PROUD of all of you! I know your Mom is an ANGEL in Heaven now, and she will be with you all, and watch over you all, for the rest of your lives. Your Mom surely received a pair of GOLDEN WINGS when she arrived at the Pearly Gates, because she EARNED her WINGS a long time ago while she was still herewith us on earth! God bless you all,

JB

*Bonnie you were one of the most loyal people that I ever came into contact with..you always called me "boss" and I always liked that because it came from you. There are only good things to say about you because that's the way you were---always,JB.*
