“ *Brandy was one of my favorite co-workers. She was my ray of sunshine. Friday she let me take a parking place, and I asked her, "Are you sure?" She told me yes, and then I realized she was waiting for one closer! We talked every day in that parking lot, waiting for a space, and she always had a smile for me. I will miss her dearly. My heart goes out to the Jackson family, and my thoughts and prayers are with them at this most trying of times.*
