“ I used to workout with Brian at the Reps Gym in Taylor, MI. He was a very good man and hard working man. He pushed himself so hard in the gym that it made me push myself harder. We ended up working out together for a good 2-3 years before I stopped going. I don't think I will ever meet another man who loved his family and pushed himself to be the best he could be. R.I.P. brother until we meet again. May God be with his Wife and family at this time. 🙏❤️
