“ *I would like to thank all that came to pay final respects to my husband, called me, sent cards, food etc. We were all blessed to have him in our lives and I am grateful for your prayers and expressions of condolence. The over riding factor was that when we spoke of him we all smiled. He was truly a good man. I will have a hole in my heart forever. RIP my dear husband.*

“ *As I have told you... after all these many, 33+, years of friendship, "your pain is my pain". Family is more than blood... it is a bond that comes from sharing the joys and sorrows of life, and we certainly have walked those paths together. When you need it, reach out... my hand will always be there for you, Deb. You are my "sister", and I love you. Tina*
