“ *I don't know what made me do it, here, late on a random Tuesday night In May of 2023, but I thought to check to see whether you are still alive and, lo and behold, find to my dismay that you've been gone almost 6 years now. I can't believe that I wouldn't have seen you within that time at the party store, but I guess it's been longer than that obviously. It's still a shock to know that you're gone. You were a terrific friend back in those early to mid eighties years -- we had some great adventures. Certainly, I will never forget you and all those glorious adventures we had. Getting to know you as a friend was certainly the best thing that came out of having worked at Machus Red Fox. Travel well in the next realm old friend. I will remember all fondly.*

“ *Pam,
I am so sorry to hear about Brian! We had so many good times with you, Brian, Allan and Tracy. I will never forget his line at our wedding. As our best man, he said, "If I am the best man, why is Julie marring Alan"? Until we meet again!
Love,

I remember Brian mostly from our time together at Farrand Elementary. He was great to be around, always very funny. One day I was eating lunch with Brian and Kevin Crudder. They had be laughing so hard that the jello I was eating came out of my nose. Nothing but a fond feeling for Brian. Gone far too soon.
