“ *I remember Brian from Canton high school. He was in several of my classes there. He was always very funny. I also remember him dating his wife Nancy while he was in school. He was also a good son, husband, father, and kind to animals. He will be missed by the Purcell family.*

“ *Lots of good memories with Brian when he lived on willard rd. He was an excellant drummer and loved jamming with his brother and friend, they were quite good together. Loved sharing a good cook out and bon fires. He was full of funny jokes. He loved to hoot and hollar with neighbor Ron and my brother Tony. I will miss this guy and the good memories. In high school he and my sister became Slick and Spud. Also known to many friends as Sqiggy. RIP Brian!*

Sadly, just seeing this. I hadn't seen Brian for decades before the last high school reunion. He saw me, we chatted for a while. He told me he wasn't going to go but stopped in. Said, he was happy to see me and that was enough. Unfortunately, we didn't exchange numbers in the business of chatting around...
 *to you and your family!*
