“ *We are sorry for your loss. Brian was my go to guy for all things mechanical, home or cars, since I was ten years old. If I know Brian, he was in Heaven before he left earth. He will be sorely missed. Peace, Brian Boch and family*

“ Dan and I are so saddened by Brian's passing. Kevin and I have been close friends since we were 14, and I know that he loved and looked up to both of his brothers. Our hearts are with the family during this difficult time. Being a lifelong friend of the Saulter clan, I have only fond memories of them as people who embraced life, laughter and joy - and generously shared their love and kindness with those around them.

“ Dear Deb. I am so thankful to have met Brian . He was so very kind and always offering a hand or talking you through how to fix something. There was always a special laugh every time you were around. RIP You will be missed.

Brian was the kindest, most generous, loving man, he had a soft spot for his dogs. I will miss him tremendously and am so grateful that he was in my life. I am a better person because he loved me
