“ *I do not know if you, BobbieJo or Brianna will even remember this. But when you two (Brittany and Brianna) were little, your sister BobbieJo and I were babysitting you two. It was time for bed and you girls were having a hard time falling asleep. Your sister and I layed with you girls and each rubbed your eyelids and told you bedtime stories until you finally fell asleep. :) I will always remember it. I never had a sister and in that moment, I felt like I had 3 ? hugs and kisses to you all through this terrible time, your sweet smile will be very missed. Rest in Paradise?*
