“ *Dear Mr. and Mrs. McCarthy and Derek, Words cannot express how sorry I am to learn of Brittany's passing. It has been many years since I was her third and fourth grade teacher, but I have never forgotten the sweet strawberry-blonde haired girl with the generous heart and the angelic singing voice. I remember how she loved to draw unicorns and how she was fascinated with animals. I have so many wonderful memories of Brittany: how proud she was of the beautiful blue Cinderella gown her mother made her for Halloween, how excited she was when she got a special singing part in the fourth grade holiday concert, and how we went on a frantic search the day she brought her newts to school and they escaped and hid in the heating ducts. (We did eventually find them.) Brittany will always have a special place in my heart, and please know that you are all in my thoughts and prayers.*

“ *Dear Mr. and Mrs. McCarthy and Derek, I am so saddened to hear of Brittany's passing. I remember Brittany as a poet and lover of animals, especially sugar gliders. After she left Bird I rarely saw her but I had the good luck to run into her at Kroger several times after she graduated from high school. It was wonderful to see her and the last time I saw her was about two years ago and we had a nice talk in the middle of Kroger for almost a half hour. I offer my deepest condolences to you on your loss of sweet Brittany.*
