“ *Byrnece made Tom, our Dad, feel comfortable and welcome in his adjustment to Waltonwood. She was the one person he felt he could talk to about anything and everything. Byrnece's constant smile, understanding, hopefulness, and encouragement made a HUGE difference to all our lives. We were honored to have shared a few recent holidays and celebrations with Brynece. We feel privileged to have had her touch all of our lives. Antoniette, her friend of many years at Waltonwood, also asked us to extend her condolences. Antoniette is sorry she can not attend the memorial service for Byrnece. Her thoughts and prayers, as well as ours, are with Byrnece's family. We are sure Byrnece is safe in the arms of Jesus.*

“ *Just wanted to say how much I enjoyed working with and having Byrnece as a friend when we both worked at Hurley in the gift shop several years ago. She was wonderful, always on the bright side with good things to say about people and the auxiliary. I know from having lunch with her that she loved her family and grandchildren. She certainly enjoyed playing cards with 2 young boys at that time, I don't think she let them get away with much when it came to winning. My sympathy to each of you at this time. Enjoy your wonderful memories as all of us will. Lola Manner*

“ We my mother, Linna Fielder, who lives at Waltonwood, and I loved Byrnece's smile that she always wore. My granddaughter often visited with me and always had to find her and give her a hug. She will be missed by my mom and others at Waltonwood. I hope she is in a big card game in the sky,
Sincerely,
Barb and Hannah Kallil and Linna Fielder

“ I always enjoyed visiting with Byrnece here in Flint and then in the Canton area. She helped make a difference here at Hurley as an Auxilian. She was Presient 1966-68. She was a member of the James J. Hurley Society and will continue to make a difference for the patients and families we serve.

I still smile about the first time I visited her in Canton. She took me on a tour, we went out to lunch and then drove around the area. She was happy to be close to family, had new frineds and volunteered at the Library. She will be missed and I am glad that I knew her. Rick Warmbold Hurley Foundation President.
