“ *Too many wonderful memories to count!! She treated me like her own family for my entire life. I'll always cherish being a young child and decorating Christmas cookies each year with my best friend and in-state grandma. I visited her and Pudge whenever I was home for the holidays. She was the best cook ever, always made sure I ate even if I "wasn't hungry," not possible in her house! I loved her very much. What an amazing, loving, hilarious woman. She will be missed by myself and many, love you Camilla.*

“ *Camille was a sister-in-law who was also a great friend. I always enjoyed her visits to my home and the treats that she brought with her. I will always remember her kindness and compassion toward my daughter Lisa. We often shared lunch together with Dave Watroba at Three Brothers restaurant. I will miss your company and conversation. Condolences to all of the family.*
