“ *My deepest sympathy to the Hoitash Family. Camille will truly be missed... I did not know Camille or the Family. Please accept my sincere sympathy. If a stranger cares how much more will our Creator who lives in the heavens will care? Please be comforted in knowing that Jehovah God does care about his creation. It was never his purpose for us to suffer from the loss of our dear loved ones. (Romans 5:12); (Genesis 1:28). But through his only-begotten Son, Jesus Christ he will bring Camille back to her family. Notice what the Bible really teach. John 5: verse 25 reads: "Most truly I say to YOU, The hour is coming, and it is now, when the dead will hear the voice of the Son of God and those who have given heed will live. If you read the whole chapter of John 5 and John chapter 11, you will see that the resurrection hope is confirmed. Also, there are other scriptures to confirm God's promises both in Hebrew scriptures and the Christian Greek as well. If you want to see Camille again, please look into what does the Bible really teach and then learn to put faith in what it promises.
