“ *As a new EMU employee in Nov. 2003, Candy was always a warm and pleasant voice to hear in the sea of many new voices. She had great patience during my many phone calls when setting/changing/cancelling meetings between our two bosses! I was happy for her when she told me she was retiring last year. My condolences to her family.*

“ *I have worked at EMU for over 20 years and spent six months in the Physical Plant last year. I knew Candy (don't call her Candace was the warning) before then but was her "supervisor" until she retired. But we both knew she was the real boss. I wouldn't have survived without her care and kindness and was so touched that she kept in touch and answered my silly questions through email and even came back in to help the new secretaries that were added. I will really miss the denimjeep lady. My thoughts and prayers are with the family.*

“ Dave, Our thoughts and prayers are with You at this most difficult time. She is probably giving comfort to the animals who have no one. She will be missed by many.

“ What a pleasure to know such a caring person. When the Purchasing Office moved to the Physical Plant, Candy was one of the first to make us feel welcome. I will never forget the kindness shown to my grandson, Anthony. He always remembered the special times with you. You were not only an animal lover, but a people lover as well. Thanks for all your caring. May God Bless and keep you in his tender loving care.  
Love, Rosa & Anthony

“ How we'll miss you, Lady! This earth just won't be the same without you, but we expect to see you in Heaven - keeping all those dogs and cats in line! We'll never forget you, Candy. God be with your family to give the peace and comfort that can only come from Him.

“ May you rest in peace and may God be with your family to guide them through losing one such as yourself. It was a pleasure getting to know you while at EMU. You sure kept the whip out on those folks in the Physical Plant. Thank you for taking charge while you were here. You will be greatly missed! Bless you with Love and Peace.

“ We will miss Candy & her great sense of humor. She and Uncle Jack are in heaven getting lost on snowmobiles! No one cared more about animals than she did. She was truly one of a kind.
