I have worked with Randy for the last 7 years at the U. If I could use one word to describe Randy...it would be (LOVE) Over the years in between the joking, and laughing, we were able to speak truth about life's challenges together! Randy always had a way of turning difficult times into light hearted challenges that we could face head on to overcome! I never had the chance to meet Nancy...but had a sense of who she was by the way Randy spoke of her, again...LOVE! I know myself, and my fellow co-workers will all face this difficult time now without the help of our brother to spur us on! I will always remember Randy's witty sense of humor, and laugh! But you know...this isn't really good bye...it's until we see each other again! Praise Jesus...Randy will now live like he never has before!!! Thank you for the good times here on Earth!!! Love you Buddy!

I will always remember our talks around the Phalin kitchen table. It was there that I could bring any problem big or small and know that without judgment of any kind I would be heard. Solutions were not always found, but I always left that table feeling better about myself and the situation. To know Randy is to love Randy. He always had time for you and made you feel as if you were the only thing on his mind at the moment. I only got Randy's nerves one time that I can remember....I sat on his pool table....one drink too many trying to make what I thought was a fancy shot. Sorry about that Randy. He never held it against me and I was still allowed to play pool. It is funny now, but back then...no so funny. Rest In Peace my dear friend. I know you are on the party committee in heaven and things are rocking like never before. Love you.

Randy, what can I say? You were my right hand. Always ready and willing for any challenge I gave you. Imagine the feeling when you lose a part of you. That is how this feels. I loved you as the outstanding human being that you were. Your smile, your dances and your singing will forever live in my heart and bring a smile each time I think of you. We have so many memories from working with you, I can only imagine what Nancy has, from a life with you. Everyone, stay smiling, always remember the awesome friend, father, loved one that Randy was to each of us. You are forever in my heart. God has gained a true Angel, forever now in peace. Your friend, Barb Fritsch
