“ *Carla was truly my other half. From the first day of conception we were one. We never stopped being one, there is no one on this earth that ever could have been closer than us. Our hearts were one. Carla was beautiful, precious, spirited, honest, loving that always put her family first, nothing in this world that she wouldn't do for any of us. Dear Sister I know you know my heart is truly broken and will never be repaired. I can't see me without you, never could never will. I know you are wrapped tight in your precious girls arms now and will be forever happy. I love you sister with all my being and miss you more than words can say RIP my Angel. Till we meet again, Your Twin Connie*

“ I'm gonna remember and treasure the many nights out with Charlie and Carla. The dinners out, the garage conversations over a cigar and some adult beverages. A big thank you for your generosity Miss Carla. You had spirit and were never bashful to state your opinion. God bless Charlie, all of Carla's family and extended family . Jeff Alexander
