“ *Dear family of Mrs. Arbour, I am truly saddened by your great loss. It seems as if 80 years is still not enough time to spend with the ones you truly love. This is because God did not create us to get sick, grow old, and die. Notice God's promise found in His word the bible: "The hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:28,29) Just imagine how wonderful life will be when we are reunited with our loved ones right here on a paradise earth.-Psalms 37;10,11,29*

“ My memories of my Aunt Carol are so warm and full of laughter. She reminded so many of us of our Grandma...her mother...Loretta. As a child Aunt Carol's house was the house for me where fun and warmth lived. And despite so many of her hardships in life she was such a dedicated and loving mom. She never let go of her sense of humor. She was my Dad's baby sister and now that they have both passed to a better place the image of them being the best "jitter bug" dancers together will forever live in my memory and make me smile.

“ Dearest Aunt Carol, It is my most sincere hope that you were aware of how much you were loved. There are too many stories to tell about how much you lightened up so many lives. I hope you knew all of this before you died, I tried very hard to make these feelings known to you. You will be missed on a large scale, with a void that can't be filled. My heart is with your children but know, with all my faith, that you are in a better place, and I'm sure you can see that. Much love Nancy

“ Grandma, we're all going to miss you so much! My greatest memories are because of you and our wonderful family. I used to love walking to your house after school with my brothers, watching movies, eating all of your yummy crackers and Flinstone push pops, and drinking every can of Fresca in your house. I love that every time Jeopardy comes on the television, it reminds me of you. I'll miss your voice, your laugh, your love, your strength, and your wet kisses. :-) I love you Grandma! Please give my Mom a big hug and kiss in Heaven! Xo

“ Aunt Carol, you were always kind to me, and I know a cherished sister to my father. He loved having fun with you. I believe he'll be waiting at heaven's gates for your arrival to show you around. In his nonchalant way, I can hear him say, "Here it is,"...and nothing more. But you'll know he's beaming inside. I hope the rest of the clan will be there as well. Here's to you, Aunt Carol. I'll always remember the latenight excursion to Lake Huron during high tide and high winds.
