“ *Carol was far more to me, and so many others, that any few words can ever describe. Honesty and brilliance, blended with her caring spirit, made her the best mentor and friend imaginable. Additionally, her grace and courage become supremely obvious during challenges of recent years. She made us better people - the gift we will carry onward.*

“ Carol was my mentor, inspiration and leader for many years and continued even after her departure from the organization. Her strength, courage, wisdom and grace were incredible to witness. She pushed me to do what I never thought I could and walked with me every step of the way to make sure I didn't lose focus. Her spirit, kind heart, humor and wisdom will be greatly missed but never forgotten❤️
