“ I was Carol's massage therapist for over a decade. She was an exceptional person who was keen to the needs of others. I am grateful Teri has kept in touch with the MKE friends and service providers. Carol is one of those folks you like to keep tract of in your mind.

“ Carol was a beautiful woman, inside and out. Several years ago she was visiting her son Craig at his home in California. Craig and I treated Carol and my father to an evening of big band music from the 1940's from a traveling revue. She always mentioned it when we spoke on the phone. She was always gracious, thoughtful and kind. She will be so missed..

I met Carol when she was visiting her son Craig in Roseville California. She was instantly in my heart. She was so friendly and loving and kind she became my mom that day.

I met Carol when I became her Caregiver in 2018 until Covid. We both had a love of gardening and I tended her garden during the time I cared for her. Our gardening time continued after my caregiver job ended. Our bond grew closer. She loved her plants and flowers. She is missed and with my gardening I will remember her.
