“ *To Carol's family: I worked with Carol at the University of Michigan for many years; in fact, I hired her to Pediatrics as her first job after being a stay at home mom for several years. We became good friends and we were so happy to have Carol and Alex come visit us in Durango, Colorado several years ago when my husband and I retired. They really enjoyed seeing the mountains. She was a wonderful person who truly loved her family. My deepest sympathy on losing her.*

“ Carol and I had 3 things in common: we grew up in the same area of Columbus, Ohio, we were Ohio State fans, and we both worked for the University of Michigan. I enjoyed getting to know her through a bridge group we played in. Her conversations always showed pride & devotion to her children and grandchildren.

“ Carol was a wonderful neighbor and friend for over 30 years. These last years have been a real challenge for her and her family. Her strength and determination were inspiring but I am glad she is no longer struggling. Her love and devotion to her family along with her sense of humor is what comes to mind when I think of her. My condolences to Greg, Tracy, Mark, Zach and Hailey. She was so proud of you all and “loved you dearly”.

“ *I met Carol, through Tracy, one day when she came to one of our Mayhem football practices. We shared quite a few laughs as we talked. What a special lady with a great sense of humor, I thought to myself. I saw where Tracy got her humor from. She very kind and supportive of her daughter! My heart hurts for my friend and her family and I pray that they are comforted knowing that she is in a much greener pasture than we'll ever know down here on- earth. Love and HUGS! Bearbear*
