“ *I know it has been a while, but I was dealing with my own tragedy earlier. Mom, We have enjoyed such a lovely Mother in you. You brightened anyones spirit just with your smile and compassion. I thank you for being so wonderful to Melanie and I. We miss you terribly and are heartbroken that you are not with us. I watch movies of our christmas' and holidays together and realize how very blessed I have been. If just for a part of my life, not many people experience true love and family closenss as I have been honored with. To have great love is a gift that cannot die. We love you forever and ever. Liz and Melanie*

“ *Aunt Carol, I miss you so much, already. You are truly my inspiration. I thank you from the bottom of my heart for all the the heart felt advise through the years. You always saw the good in people and you never gave up on those around you that needed you the most. No matter what kind of day you were having, good or bad, you'd always find a way to put a smile on the faces of those nearby. Aunt Carol, you are the strongest woman that I know and you inspire me to carry on that legacy. I love you and miss you very much. God, please look over Uncle Bob and Cousin Ron as they try to get through these most trying times in their lives. Sandy*

“ It's hard to think of how hard her last weeks were. No physical frailty ever seemed capable of subduing her spirit. I will always remember her as joy personified. God bless and keep you Uncle Bob & Ronald.
