“ *I just learned that Carol passed away. When I think of Carol, I think of Mayfair Village. We moved from MV fairly recently, but all of us who lived there had Carol to thank for her many years of volunteering as secretary and treasurer of the homeowners' association. For umpteen years she shouldered the responsibility of both jobs, handling banking, correspondence, snow plow arrangements, and more. And the amazing thing is that the Association was only one of her volunteer endeavors. If anyone deserves a pair of angel wings, I'd say it's Carol. Condolences to all of you on the loss of your mother, grandmother, and sister. -Mary Jo David and Gary Hicks*

“ *Carol departing our bunco group for many years, although the game itself played no part in our evenings after a few years. We attended concerts and theater when we needed another outlet, but mostly we just talked and solved the world's problems until you the wee hours of the morning. What started as an escape from the stress of raising young children morphed as into old friends exchanging back to work tales and growing pains as we watched our families blessedly expand.*

I know you will miss your mom and dad, but please know how very proud your mother was o all of you, and much she loved you.

“ *Jim and I were friends of Carol and John for many years. The guys work at Ford Motor Co. John was in the Finance Retiree's group and Pool group. We shared dinners, U if D basketball games, and plays with Carol and John. Carol was always so gentle, caring, and thoughtful. May she rest in peace with John.*
