“ *Carole and I worked in the Pathology Dept. of Childrens Hospital of Buffalo for many years. She was a quiet woman, always professional a very dedicated Cytotech. She was a warm person and we shared many conversations over the years. My deepest sympathy to her family. Please know that she was very respected by her peers.*

“ *Carole and I were best friends in high school. Her sharp sense of humor and bright smile eased those tumultuous teenage years. We laughed a lot together. Although we went in different directions after high school, we stayed in touch, seeing each other on school vacations. She was a bridesmaid in my wedding. We lived far apart since then, but we always reconnected easily. Now that she is gone, there is a hole in my life that can never be filled. I will miss her. I send my deepest sympathy to Mrs. Gall and the rest of Carole's family.*

“ *If my memory serves me right, I worked at the Deaconess Hospital in Buffalo, NY near Carol's office. I worked as a medical transcriptionist in X-ray and would walk down the hallway ever so often and chat with Carol and laugh about little things. She was very enjoyable and she wore the greatest looking shoes!*

May God bless her and her family.

Sincerely,

*Sandra (Benson) Weingarten
