“ *Mary Kay, Wanted to send my condolences to you on the loss of your mother. I know that we haven't seen each other in years, but I think fondly and often about our days together at WSU. I hope you and your family find peace during this difficult time*

“ *Mary Kaye and Family, Sorry for your loss. I remember your mother fondly--she was "the mom" on Muarry Hill. Bringing snacks when we swam in your backyard pool, watching softball games at the playground. Very approachable and kind.*
