“ I was one of the caregivers for Carol at blossom hill. She stole our hearts and i'm so grateful I was able to spend all that time with her. One of my most favorite memories was when me and my sister sat on her recliner with her and looked through a magazine with her. She would point out random things and read them to us. This was in August 10th, 2024. She was our “sweet angel mama” as we called her. She will forever be in our hearts. -Danielle Aloisio
