“ To Bernie Ingle, I bow my head in humble submission to the perfect will of God, who does all things well. I was blessed first to know her as a teacher and later as a friend. Her grand sense of perfection taught me to be a better adult. Her love for books taught me to respect and appreciate the art of writing. My memories of "Ms Canty," in the library at Mokersky Elementary School will not easily be forgotten. Please know that I adored her. Words seem inadequate at times like this; however I hope you find comfort in knowing that you are in my thoughts and prayers. You have my deepest sympathy. Humbly submitted, Edna J White

“ My wife and I met Carrie in 1986 when we moved into the subdivision. She was one of the first people to approach us with her ever-present smile. Through the years she was an inspiration and kind person with our daughters. Carrie would sit and talk with us for hours occasionally. This is what I will remember about her. The world lost a kind soul at a time when kindness is in short supply. May God Bless and keep Bernie strong during this difficult time.

“ Mrs. Ingle (Ms. Cantey as I knew her in fifth grade 1975?) was my best and most favorite teacher. Even in fifth grade she was inspirational and helped me get into the district spelling bee. I am not sure at the time who was more proud of that, her or me? She left her impression on me and I owe a lot of my success to her. May she rest in peace

“ I am so sad of Mrs(Canty) Ingle passing. I tried to get in touch with her last year to tell her how much I loved her and all she did for me in grade school(Mokersky). She was one of the loveliest people to me. When I couldn't afford to go to Washington DC as a trip for the Library aides she provided the funds for me. She was one of those teachers who cared I mean really cared about me. All my prayers for your peace Mr Ingle.
