“ *The loss of this man with a soft voice was very kind , loving and devoted to his family and the love of boating....As an Engineer with Chryslers he used his talent when he joined the Chrysler/North Channel Yacht Club in 1968 and he was the last survivor of that year. Cass was an active Board Member in 1978 and continued to perform his services until he was voted to be our Commodore in 1986.He also served as Sec/Tres. for the Ancient Mariners. His last visit to the club was Memorial Day with his daughter and son in law and little did we realize he was going to join his wife Vicky who passed last July....*

As our Past Commodore, I will cherish the many times we shared with you and all the Klapecs and as the ribbon is placed on your Commodore Photo....I salute you with my hands over my heart and may you find your path to peace.
