“ *He was much more than an uncle....he was a friend. We'll miss his smile, warmth, charisma, and friendship. One of his final cakes was for our son's graduation this past summer, and we'll cherish that memory forever. So long, Uncle Cass! You're now with God, where you deserve to be.*

“ *Lillian, Daisy, and family,
We wish to extend our sympathy to you during this sad time. Cass was a wonderful hard working man. He was always smiling and talked often about his family. He was devoted to his job at Iversen's and a pleasure to work with. He will surely be missed by all those who knew him.
love,
Karen and

“ Carol, thank you for your call last night. Although a sad occasion, I spent the evening thinking back over the years from carlin ave in Detroit to your parents beautiful home in Canton. What I remember is a man quick with a smile and laugh, concern about you and your family, his opinion quickly expressed about a wide range of topics, a beverage placed in your hand (in my case a cold beer). When my Dad was in Canton for his cancer treatments your parents came to visit and for several hours the house was filled with noise and stories and I know it lifted his spirits..... Our entire family wish to express our condolences and I will see your family at the Funeral celebration, love Ed
