“ *Catherine and I worked for the same company. We ate lunch together every day. We became fast friends at work and remained good friend after we both retired. I will miss her greatly.*

“ *Catherine was a second mother to me and many of us who worked with her for many years. She took such a personal interest in each of us, our families and our children. She was so very proud of her own children and her grandchildren. And of course, she just loved animals of all kinds. She was a very, very special person in our lives. I am so grateful to have been her friend. She will be greatly missed by all.* *Tom Michalski*

“ *The thing that will always remind me of being symbolic of Catherine's heart is that when it was one child's birthday, she always made it a point to bring a small gift for that child's sibling(s) too, so they weren't forgotten and felt important too. That's deep compassion and empathy. Rest in peace Catherine. You will be missed.*
