“ I was so saddened to hear of your loss as I was out of town and just returned to Valassis and wanted to express my deepest sympathies to Cathy's family. Cathy was a great lady! I have worked at Valassis for 20 years and Cathy gave me my initial testings back in March 1987 and was just wonderful - kind, encouraging, and all smiles! I thought if this is the kind of people this company has I wanted to be a part of it! She made me feel so comfortable and always did throughout my times at Valassis - from the time I had brought my daughter into work as a newborn she quickly volunteered to watch her while I attended an unplanned meeting with her boss to her passing along lots of parental advice as she was devoted to her family! She was always doing things in only her Cathy lighthearted style whether it be smiling and giggling in the hallway or as we chatted occassionally as we passed throughout the years. Be sure to always keep your fondest memories close to your heart as she will always be with you. My deepest sympathies.

“ I worked with Cathy over 14 years ago at Valassis as a supervisor in Customer Services and last saw her a few years back coincidentally in the lobby at Valassis. (I left Valassis in 93) I told her she looked fabulous and she shared with me that she had just returned to work after being off for a bout with cancer. Cathy was a joy to work with and I can still hear her little giggle and see how mischievous she could be in such a fun way. I remember her love and devotion when she spoke of her daughters and recognized Holly and Shannon's name as if it were just yesterday when I saw her obituary in the paper. I also remember how we could make her blush when teasing her about things. She was a ray of sunshine in the world and my thoughts and prayers are with you and your family. Linda

“ Cathy will always be in my thoughts, she will be missed by many and I know she had a lot of good times with her fellow work associates. Cathy was a very fun person to work with she always would say to me "put your coat on before you go out and shovel snow". Cathy was the ideal person to build a holiday tree with she always said "we need to fluff the branches more", that made things so funny and she sure could decorate a tree. I will miss her and she will always be in my thoughts.

“ Rob, Shannon, Holly, Ryan, & Grace, We are so sorry for your loss. Cathy was an amazing person with a generous heart. We never know when God is going to take us away from our loved ones, and the best way we can justify the immense loss is to know that in the short period He lent her to us she achieved what God had intended her to achieve. She has touched many lives and is now watching over all of them in Heaven. Your family has become our family and we want you to know that you are in our hearts and prayers. Please let us know if there is anything we can do and know that we love you all. Love, Rob and Meryl Hawley
