“ *Cathy was my work friend at the prison. We frequently went out to lunch and shared many stories. She was so proud of her sons and loved her grandchildren. We went out for dinner to celebrate her retirement and she showed me her first ever tattoo as a symbol of her new life. Sadly her enjoyment of retirement was short lived. She was a really kind person. She has been and will continue to be in my prayers.*

“ *I worked with Cathy many years. First at the family farm then at the Michigan Dept. of Corrections. She was a good friend and coworker. I will miss her but am thankful she is no longer in pain. Thinking of her family.*
