“Such is the will of God that we should have everything through Mary”

St. Alphonsus Liquori

That quote will forever remind us of our special neighbor beloved friend of our parents...for that quote is what she believed and passed down to others.

The memories that I my siblings and our children carry will always be treasured.

Celina was a strong faith filled woman who could stand her own, and a survivor of World War II.

The smells and taste of her wonderful foods were always appreciated.

The watchful eyes as storms rolled into our neighborhood and the shelter she gave us as we ate her sweet cookies and learned how to read the skies, as children before running into the basement for secure cover.

Our go to person when Prayers were needed and Our scapular provider. We will miss you but when we think of you it is your smile we see and we are sure you have your biggest one on now.

*Our sincere sympathies to the Szymczak family. Mrs. Szymczak was a very dear friend of my mom, Donna Zylik. Mom did get tears in her eyes when I mentioned your mom's name but not sure if she comprehended. We pray that God brings your family peace and serenity in this time of sorrow.
