“ I had the pleasure to meet Charla when she worked at Ford WHQ and her smile, bubbling personality and laugh was always present. May you rest in peace. She also talked about her daughters and how they were her life.

“ Charla,  
I love you. You meant a lot to me. God bless your girls. I hope you found peace and happiness, because you deserve it.  
"But there is one thing which we are responsible for, and that is for our sympathies, for the manner in which we regard it, and for the tone in which we discuss it. What shall we say, then, with regard to it? On which side shall we stand?"  
Charla, I will stand for you.  
Love you forever, Melvenna Fant
