“ *Chuck was a great guy. He is now with Rita and the Lord. May God take them in his loving arms and bless them for eternity.*

“ *Mr. Barnes was my favorite (and first) patient. He was an amazing man and always knew how to make me smile. We watched the March madness tournament in between care together this year and always talked about our love for Chick Fil A. My heart goes out to his daughters and everyone who knew him. I always cherished my shifts with him and was so fortunate to have known him.*

“ Dear Jennifer, Kristen and wonderful family - I'm very sorry to hear the loss of my good colleague (& friend) at Livonia transmission. We worked in same department and we were very close, I always stop by his office near the windows watching snow out side or, nice day, traffic at the road. My kids were in Plymouth- Canton High school Marching Band. He will always ask about my kids. We had lunch together. Chuck was such a descent Gentleman, and a wonderful person, friend, colleague. Check will be dearly missed by me and all of us. My prayers are with family and lord to rest his soul in peace. I retired in 2018 and moved out of state in Maryland. I wish I was close enough to Join the ceremony.

“ Chuck and Rita both moved into Vistas III just a few weeks apart almost 17 years ago, and we truly enjoyed being next-door neighbors! We always shared Birthdays and Holidays together as well as family events with our children. Occasionally they would invite us over for one of Rita's famous Italian Dinners, which were always won-der-ful! Yes, Chuck was probably the Resident Golf Pro of the sub, but he was always very modest about it, although he had his trophies! We know that BOTH Chuck and Rita are now in the Promised Land, and we will be greeted by them when it is our turn!

We do miss you both!
Love,

“ *Chuck and Rita became like family. Our daughters grew up together and were and will always be best friends. Cortney truly felt Church and Rita were her second parents! She knew she could always count on them.*

Chuck and I (Karen Wilmering) shared a very special bond this year. We both had an organ transplant--Chuck lungs and I a new heart. When we sat together at Rita's funeral, we shared a very deep connection and bond. Although he was still struggling with his health, he was so happy for me and my health and I prayed for him daily. I'm sorry we never got another chance to meet up and share more stories about our elite club experiences. He was a very courageous and strong man who fought so many tremendous health challenges. He was my hero! He just wanted more time with his family, whom he loved beyond words.

“ Chuck & Rita were like "family" to us more than friends! We will miss Chuck as much as we do Rita! We had so many great memories together, going to Vegas, meeting up in CA with our daughters, going to Chicago on the train~~& what a trip that was, we laughed so hard every time we talked about it!! Going to Mackinac Island, several cruises, and all of the wonderful dinners that Rita prepared for us to enjoy~~& put on a few pounds too!!! We spent so many New Year's Eve's together bringing in the new year!! Chuck, Pat, Gary & Joe played golf every Friday~~something they all looked forward to (& to indulge in having a few drinks afterwards!!)

We have known Chuck & Rita for 30 years~~we had so much more to do together making more great memories, but God had other plans! We feel so fortunate & blessed that we had them as our dearest friends for 30 years! We miss you Chuck!!!

Chuck & Rita did such an outstanding job in raising Jennifer & Kristen, they are just as thoughtful, caring, compassionate, fun loving as their parents! Kudos to them for taking such amazing care of both of their parents in their time of need~God bless you both, you will be rewarded!!

So many fond memories for us to keep in our hearts & Chuck will live on in our hearts forever!! Rita, (sister-in-heart) it gives us great comfort that you & Chuck are together again, no more suffering & enjoying happiness in God's Glorious Kingdom!!

We will meet again!! Love you Chuck!!

Love,

“ *I am so very sorry for your loss. I have loved both your Dad and Mom for very long time. I was dating my wife Marie (Brown) when they were married and she (Marie) was in the wedding party. Now, fifty plus years later, my heart is broken because of this tremendous loss. But, the circle of life is complete. As we grieve the passing of two very dear people only five months apart, we can draw some solace in the fact that Chuck and Rita Barnes are together in eternity. Dale A. Ortleib*
