“ Uncle Charlie was a kind man. If I had to sum him up in one word it would be "tinkerer." He was always fixing things to make them work better or go faster. He often watched my sister and me, and always made me look when he told me to tie my shoes even tho I was barefoot. Thanks to him I had the fastest roller skates on the block, and was the only kid in kindergarten who knew what a hemi was. He was fearless. I will always remember him shimmying up an oak tree to put my tire swing up, riding his trike down the alley, and rescuing my sister and me in the middle of Lake Huron when we swam out too far. His laugh was contagious and the worst thing I ever heard him call someone was fish-eyed-fool. He made the best grilled cheese sandwiches, grew awesome corn in his garden, and helped me find escaped hamsters. Uncle Charlie loved life and lived BIG. I pray he finds the peace he deserves and continues watching us live life in a big way too.

“ Charles you will always hold a special place in my heart, for all the fun we had as kids growing up, and you letting your younger brothers tag along getting us out of the house and always being there. Thank you for everything you did for us.
