I'll miss Charlie. He was such a kind person. I worked with him, he looked out for people. He would sit in the front row at the union meetings and always had a good word to say. He'll be missed.

“*Charlie was a great man! I am very thankful I was able to meet him and work with him. He had a very gentle and kind spirit about himself which this world needs more of! We are going to miss you Charlie but you and I both know that the Bible says to be absent from the body is to be present with the lord and you're in a much better place now, no more night, no more pain, no more tears. I will see you on the other side one day! in his love! Aden Springsteen*

P.S. Just think of stepping on shore and finding it heaven, of touching a hand and finding it God's and breathing new air and finding it celestial and waking up in glory and finding home!

“ I miss my dad every day, and there isn't anything I wouldn't do to spend more time with him.

Contacting friends and family has shown me how truly beloved he was by everyone that knew him. Thank you everyone for your condolences. It is so appreciated.

“ Chuck is my oldest cousin. He was always my protector watching over me as a teenager. Nobody messed with me and got away with it. He was always kind, caring and there for all. I hadnt seen him for years till we lost my Dad and he was there for us all. Then got to see him last year at the family reunion. Glad i got to see him and spend some time talking to him. :) Fly high cousin!!! Love your little cuz!

“ I will never forget the time Kitty and I were driving to Chicago and he absolutely *INSISTED* he show us how to change a tire. I already knew how, but the love he showed by making sure Kitty and I were safe was a beautiful thing.

Rest in Peace, Charles. You left a beautiful wife and daughter behind who love you immeasurably.
