“ *I will miss getting a birthday card and that call every year of dad singing " Happy Birthday" I will miss his cards because he actually read and choose the perfect card each time. It was never about the price of the card but what the card said and it was always something to look forward to each year. Birthdays will never be the same 😭. I am going to miss you farmer, love always The farmer's daughter!*

“ *My husband Bob Derrick met Charlie when they were both 14. They went to the same church and have been forever friend since then. Bob and i stood up for his and Liz's wedding we watched their kid's grow. our kids called him uncle Charlie and their kid's called us uncle Bob and aunt Linda. I knew him as a loving kind gentle man with a smile always on his face. He had a special name he always called me and i will forever hold that dear to my heart. We will miss him but will never forget him. love you dear friend til we meet again.*
