“ It has been 21 years since you passed and I still remember you so vividly. To everyone, you were Gene, but to me you were my Papason, the only grandpa I truly knew and loved, who always welcomed me with a “Hey Girly!” and a huge smile. All of these years, I have always thought of you, and known you as someone who I loved with my whole heart. I miss you so much, I wish I knew more about you and had more pictures of you. Any family of his who sees this, if you would ever like to get in contact with me I would really appreciate it.

“ I'm so sorry to hear about Gene's death. Gene was my first cousin - my mother was his mother's twin. I pray that the Lord will comfort all of you in your sorrow. I'm sorry that I won't be able to be at his funeral, we live in Alabama and are unable to attend.

May God take care of you and be especially close to you at this time.

“ Please accept our condolences in the passing or cousin Gene! As kids we had a lot of great times together, especially in the house on Cooper! When Georgine and I married 47 years ago, Gene was the one who tied the know, he did a good job as we're still together and still very much in love. God bless the family and one day we'll see you again Gene! Lonnie & Georgine (and our family)
