“ He was like a second father to me during my early skating years and was a good family friend. It was a shame that time and distance made it hard to connect these last few years. He will be missed. I am saddened that I cannot be in town on Tuesday to say my goodbyes is person.

“ He contacted me some years back he had grown up with my brother in Missouri I was just a baby when he returned from the Marines. I never knew him but he did me. He always sent me a text making sure I was ok and doing fine. RIP Charles and thanks for the memories.

Kathleen and family I extend my deepest sympathy to your family. My last husband, Ron Zimmerly, joined the Marine Corp the same time Chuck did shortly after we all graduated from Lafayette High School.. Chuck kept in contact with me for many years after Ron passed and I really appreciated his concern. My prayers are with your entire family.

*Chuck was a great friend to many of us since High School. He enjoyed our last Class Reunion so much so one of our Classmates continued having small get-togethers after that reunion. We met for several years like that and kept in touch on FB. We'll miss you ole Friend!! Kathy and Family, you have our love and prayers. I know how important his Family was to him.*

*Chuck and I first met through Amateur Radio during morning drive commuting to our work places. At that time, Chuck was working for EDS, so the time frame was some 35 years ago.*

*Though we do, and will always, miss and remember "good times" enjoyed with Chuck, we know that his health "battles" are over now and he is in God's perfect care.*
