“ My heart goes out to all of you and my prayers will continue. I will miss my friend, I love you Charlie. I'm so sorry I can not attend, I love you all very much. Austin says he will miss Charlie and wants so much to hear his voice greet him one more time Charlie's hand outstretched to hold mine, Good morning Brother Ugly, he would say, And I'd reply, Good morning Brother Uglier than anyone I know, and then smiles... He cared and I will miss him. love you guys,
austin

“ You never know when you meet someone, what kind of impact that they will have on your life. All leave a memory but the special ones impart great knowledge with those memories. Bro Charlie was one of the special ones. Even the simplest story would contain a great message and an example of Godly morals. He was a great teacher, a God fearing (but loving) man, a mentor to all who would listen and a dear, dear friend. Thanks for sharing some of your wisdom bro Charlie. You have touched and changed many lives. Our love and prayers to all of the family.
