“ *Dear Pat, Chuck and I had some great golfing trips to Mertle Beach in years past. I never meet anyone so dedicated to the game of golf. He was the only person I know that could squeeze in 36 holes of golf near the end of November when it did not get light until late and got dark early. He was fun to golf and work with at the Ford Parts and Service Credit Department. He was proud of the beautifully decorated home that you provided. I will always keep my fond memories of the time Chuck and I spent together on the golf course.*

“ Dear Pat, Linda, and your families, Loretta and I were saddened to hear about Duane's (Chuck's) death. We know these last years have been very difficult for you dealing with his illness and we admire your devotion and compassion in handling it. We have fond memories of our friend and neighbor from the Stansbury years and later and the times we spent together. He was special and will be missed by all of us. Our deepest sympathy to all of you. Clair and Loretta Carney Traverse City, MI

“ I am sorry I will be unable to attend the services. I always thought of Uncle Chuck as a man who was a good friend. I say friend because I only seen him a couple of times a year but when I did he and I always could sit down and talk about sports or whatever as if we had talked all the time. It says a lot about him that he can make people so comfortable and welcome. I will miss him but it makes me happy to know he is in a better place. I hope this time is not too stressful for you Aunt Patty. Love always, Donnie

“ We were shocked and saddened to read of Chuck's passing. Our prayers are with his family. We spent many enjoyable times with Chuck and Linda. Our kids still talk about vacationing with Sirola's. Chuck was a strong and quiet leader. I always admired his strength and skill when we played hockey together many years ago. Go with God.
