“ *I worked with Chuck in Charlotte. I'm so sad to hear about his passing. When he came to visit me at work it was honestly the highlight of my day. He was always so sweet, so upbeat, so incredibly kind. It truly won't be the same without him. We were all so lucky to have such a bright light as a part of our lives. Rest easy Chuck, you will be sincerely missed my friend.*

“ *Chuck will truly be missed. He was the sweetest person you will ever meet. Every time he delivered my packages at Bank of America I would always ask him how his day and weekend went and he always had a story to tell. It will not be the same here, I'm going to miss his smile and his upbeat spirit. Please accept my heartfelt sympathies for your loss. My thoughts are with you and your family during this difficult time.*

“ *Chuck was one of the sweetest people that entered on and off of the floor I work on at Bank of America each day. He works hard and has a contagious smile. I can not believe that these terrible things happen each day to the best people. He will always be remembered by me and many others on the floor. He made a huge impact on this world and he left too soon but God needed another angel by his side. Prayers to him and to his family in this time of need.*

“ I was absolutely shocked and heartbroken to hear of Chuck's passing. Chuck was a truly special person. He touched many lives here at Bank of America when he delivered supplies from Staples. Seeing him was one of the brightest parts of my day! His love for his family was always evident. He was always talking about his plans to see them on the weekends, or traveling home to Michigan. My job will certainly not be the same without him around. He is in my thoughts and prayers - much sympathy to his family and friends.

“ Chuck was truly a special person and we will miss him very much. He delivered to my building at Bank of America and ALWAYS had kind words and positive things to say. He always brightened our days. He obviously loved life and his friends and family. It was just a week ago he told me how much he was looking forward to spending time with everyone in Michigan. My heart is broken for all of his loved ones and I hope that your cherished memories replace the sorrow that you feel right now. It was an honor to know him.

“ *My children and I spent many wonderful, fun week-ends with Chuck and Uncle Ed & Aunt Jane, Edward & Barbara which we will always cherish in our hearts. Chuck was a very special cousin and even as we grew up we were blessed to meet him for lunches and he even came all the way to Lansing for my granddaughter Shelby's High School graduation a few years ago. He never missed an opportunity to help someone in need and his faith in God was evident in the love & compassion he gave so generously to others, especially his family. He especially loved and was so...proud of his boys Christopher and Bobby, who grew into such wonderful young men. God bless you all. With much love and many prayers, we miss you Chuck!!!

The thing I'll remember most about Chuck is his big smile and laugh. He was always laughing and smiling.

“ Chuck was a very special man with a big smile on his face. Remember the happy times with the boys growing up, the annual Halloween walks at Greenfield Village, dinners at Gracie's Pizzeria and going on the Casino Trip. Fun times - you will be missed Chuck! Much love to all the family,

“ *It's with deepest sympathy that we have learned of Chucks passing. He was a gregarious chap and a very pleasant person. Our time interacting with him at Staples was blessed with his humor and dedication. It is too bad that his time was cut short here on earth. We are confident that God had a great reason Chuck had to come home to Heaven!*
