“ Charn Kaur Khabra, otherwise known as Bibi Ji and Beloved Nani ji. 9 children and 23 Grand children is a testament to your strength as a woman and your beauty, since all 9 children and 23 grand children are blessed to be made from a part of you.

You're the true measure of positivity and a example of how a human being should conduct themselves, from start to finish. Not a bad word said about anyone, never wished anything negative towards anyone. You carried yourself with dignity throughout. And touched all our lives with your positive energy.

We are lucky to call ourselves your children - your grandchildren. Some of us live oceans away. But when you spoke to us you made us feel like we have been with you every single day.

You've left behind a legacy. That spans generations. Each soul created from you will never forget you. Your memory will be shared with the future generations to come.

We will miss your warm embrace. Your glow. Definitely your smile. Although you couldn't always hear us. You would smile, just happy to be with us.

You made each and everyone of us feel as loved as the next. No special treatment and no one was forgotten - now you will never be forgotten and always missed.

From all of us here in England, yours forever; Paramjit Kaur Billen and Family.
