“ *I write to do just like the greatest man whoever lived the earth did, as recordrd at John 33:35. He cried with the bereved. And also Romans 12-15 tell us the same. I encourage you to read the scriptures from your personal copy of the Bible. The comforting message is that God has promised to raise back the dead and you wil be able to see Joseph again and no man will say i'm sick again. John 5:28-29 and Isaiah 65:19 confirms that. Sincerely*
