“ So many wonderful memories of happy times. It's strange knowing you're no longer with us, somehow it makes the world a lot more lonely without you in it. I loved your contagious laughter, your indomitable spirit, your intelligent mind, the insights you brought to our many talks about certain individuals, relationships, life in general. You had a heart of pure gold, and I'm grateful for all the perfect moments we shared. R.I.P. my friend. I loved and admired you. Noreen
