“ *Uncle Chet, I will always remember the wonderful times we had back in the late 60's when you took me deer hunting to Lake Helens. Driving north before I-75 was there in your old Chevy II. It was so much fun to stay in the basement of Charlton Heston's old summer retreat near the lake and go the bars and share a few cold ones with you.*

Remember the apple pies that the old folks who owned the home made for us and brought down to the basement? It was so much fun and I will always remember.

Sorry we were unable to make the service as we are out of the country.

RIP my Friend

Danny

“ *Mr. P's smile and benevolent outlook grew more year after year. He was such a tolerant and kind spirit who loved his mustangs, his puppy dogs, and his life with Scherie. We will miss you Mr. P. May your soul Rest In Peace.*
