“ *I cannot ease your breaking heart,
Nor take your pain away,
But let me stay and take your hand
And walk with you today.
I'll listen when you need to talk,
I'll wipe away your tears,
I'll share your grief, I'll cry with you,
I'll help you thru the years.
I'm here and I will stand by you,
Each hill you have to climb,
So take my hand, let's face the world?
Live one day at a time.
You're not alone, for I'm still here,
I'll go that extra mile,
And when your grief is easier,
I'll help you learn to smile ?*

Jim, I just want you to know how special you are to me and how truly fortunate I feel we are to have each other - I can't imagine you not in my life

*With all my love forever,
Pam*
