“ *Im truly sorry to hear about your lost. Chhotalal will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Chhotalal again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Chhotalal seemed like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ True, divine help does not eliminate the pain, but it can make it easier to bear. That does not mean that you will no longer cry or will forget your loved one. But you can recover. And as you do, what you have experienced can make you more understanding and sympathetic in helping others to cope with a similar loss.--
