

Chirainjeow Lall Phagu

September 5, 1955 - February 14, 2024

Phagu, Chirainjeow Lall, February 14, 2024 age 68 of Westland.

Chirainjeow Lall Phagu (aka Buddy Boy and Chirain) was born on September 5, 1955, in Covent

Garden, Guyana, South America, to the humble parents Phagu Sheocharan and Jagrani

Sookram. He was the third of nine siblings, sharing his life with four brothers, the late Udit,

Bisham, Chait, and Deo, and four sisters, the late Mahadeya, Basmattie, Tetric, and Tajasree.

From a young age, Chirain embodied the values of humility, compassion, kindness, and love

that would define his life's journey.

It is here that he first landed his eyes on the young and beautiful Parbati who would become his

life long partner after getting married in October 1977. Together they shared an unbreakable

bond for 46 years across two continents, two countries and numerous towns and cities where

they lived. Their love was a testament to commitment, friendship and partnership.

As a businessman in Guyana, Chirain displayed resilience and dedication in his endeavors

growing the small family business during the difficult times of the 1970's and 80's in Guyana. In 1990, he made the courageous decision to immigrate to New York, USA, seeking new opportunities and a brighter future for himself and his family. Blessed with two sons, Avin and Vishal, Chirain poured his heart into nurturing and supporting his family in Guyana, New York, Connecticut and finally Michigan. His move to Michigan in 2019 marked a new chapter in his life, filled with the promise of cherished moments and new beginnings. Chirain's life was enriched by the presence of numerous nieces, nephews, cousins, and lifelong friends, whom he held dear to his heart. Their shared memories and unwavering support were a source of joy and strength for Chirain throughout his life. Chirain Phagu's legacy shines brightly through the kindness he showed to all, the love he carried for his family, and the lasting impact he made on those whose lives he touched. As we bid him farewell, let us hold onto the precious memories and the enduring spirit of a humble man. Rest in peace, Chirain Phagu. Your gentle soul will forever be remembered and deeply missed.

Relationships are formed and on passing, the heart is broken.

“ A tribute to Buddy Boy as we prepare to say farewell.

*Buddy Boy was humble in every way.
Even in hardest time still had a smile on his face.*

*He was in search for peace, moved from Guyana to NY and drift
from NY to CT back to NY and finally from NY to Michigan to be
amongst the ones he loved.*

*Though the passage of time took his breathe away, he would still
had words to share, that kept the spark.*

*When I asked Buddy Boy for help with little chores, he would be
punctual and sometimes get it done before he started his work day.*

His kindness and generosity will be forever remembered.

Buddy Boy will be missed dearly.

*Our brother, you toiled and now is time to shake off the burdens and
go beyond sleep in peace and tranquility.*

Rest in peace 🙏🙏🙏
