Mr and Mrs Chilcoff were the greatest neighbors anyone could ask for and I was truly blessed to have had him in my life. I am sure he is looking down upon us all from heaven and will continue to look out for everyone he can as often as he can.

“ *My deepest sympathy to the Chilcoff family. This earth has lost a great man, father, husband, grandfather, friend, and neighbor. I could write for hours about the kindness shown to me and my family by this man and his wife, Carol. Having lived next door to them for so many years, they were the best neighbors anyone could image. The neighborhood has never been quite the same. I watched their children grow up just as they watched mine and then came the grandkids! My oldest, Greg, loved entertaining the grandkids and I'm sure talked off the ears of Chris and Carol both, yet they never seemed to mind. They were our extended family. I felt safe having them next door to us as I knew either of them would help in anyway should the need arise. Chris would be one of the first out to shovel snow and move from his sidewalk to mine if I didn't beat him to it. Chris knew no boundaries. He was selfless and caring, kind and thoughtful! A truly big hearted man. His family has suffered a great loss as have all those that knew Chris.*

*Having lost my mother, father, sister and brother, I truly understand the grief you all will endure for a long time to come. You don't lose someone like Chris and move on quickly. There is not a day that goes by that I don't think of my loved ones departed from this earth but take comfort in knowing they are no longer in pain, that they watch down upon me and my family, and that some day we shall be reunited. This is little solace when the grief is so raw but will carry you forward throughout the days ahead.*

*Please accept the deepest condolences from Cheri Holman, Greg Holman, Mike Holman, and Tim Ellis! Please know you are all in our thoughts and in our prayers!*

Most of all the love he had for his family was undeniable and so many memories to share, what a true blessing to have known him. He will be truly missed. May the Lord watch over you all as you grieve your loss and may you find comfort in him as Chris is called back to his loving arms. Love and God bless you all.

“ Chris was my neighbor for the past 7 years and was so easy to bond with as a very good friend. I will always remember Chris as a soft spoken man with a heart of gold. Always willing to lend a hand or a kind word with his patent smile of his even when he wasn't feeling his best. I will never forget Chris would always finish a conversation with me by saying "My Friend" I will truly miss my friend but heaven has gained another precious angel.

“ This goes out to my cousin Karen.....💜  
I want you to know how much I respected your dad...he showed the utmost genuine quality of character in the way he treated my father after the divorce from my mom. Uncle Chris said to my dad, "You will Always be my Brother n Law".  
And he meant it...he kept his word....I will never forget that. Ever.  
Love you.....😊

“ Hi! I've known Chris for over 50 years and am really going to miss him. I have always been proud to call him first my friend and then my brother-in-law. We go way back from keeping my Chevelle in his garage in 1965 when I went into the Navy, to inviting us over for Thanksgiving last year. Chris was a very caring person, he would always call a couple weeks before the holiday and invite us over. I always looked forward to his phone calls and we would talk for an hour! We always had car stories to share. We even took my '72 Cutlass to the Hines Drive Cruise and had a great time. I'm going to miss you buddy! Clay Cook
